Print at 100% / Actual Size — do NOT "Fit to page" / "Shrink to fit".

In the print dialog set Scale = 100% (or "Actual size"). Then measure the two bars below with a ruler before cutting — the 50 mm bar must read exactly 50 mm and the 2-inch bar exactly 2 inches. If they are short, your printer shrank the page — turn scaling off and reprint.

)0 mm — must measure exactly 50 mn

s (50.8 mm) — must measure exactly 2

2 asset(s), 1 per sheet at true (300-DPI) size. 2 print sheets follow this cover (3 pages total).

Cut & mount

- Print onto (or glue onto) ~200–300 gsm cardstock; a glue stick or spray mount onto cereal-box card works for a first prototype.
- Cut along the shared grid lines — abutting cards share one cut, so a guillotine or a steel ruler + craft knife goes fastest. The coloured corner ticks mark the outer trim of each sheet.
- Round the corners if you like, and sleeve them (63.5×88.9 mm = standard poker / "premium" sleeves) so they shuffle.

Colour is preferred, but this is fully B&W-playable. Every region and ingredient is dual-coded with a distinct shape / emblem (and a text + 繁體 label), not colour alone — so greyscale prints stay unambiguous.
Note: the character boards currently show the art placeholder; final mock-up art drops in later and re-tiles automatically.

On your turn: do ONE action · then trim your Larder to 7

DO ONE ACTION

- VISIT (here): flip 3 from this region's market — the event fires by scope, keep 2 ingredients (Big Eater 大胃王 keeps 3).
- CONVENIENCE STORE (anywhere): flip 1 from any region's market — take the ingredient, or the event fires.
- TRAVEL: move 1 region (HSR = 北↔南); flip 1 on arrival (event whiffs). Then GROW: 1 follower, supply → your board. (Homebody 媽寶 draws 2 from the region she LEFT; Globetrotter 阿嬤 reaches ANY region, tiring 1 follower to supply.)
- PROMOTE (here): place up to 2 followers FROM YOUR BOARD onto face-up stall(s) here — stacked or spread, in full view.
- BRIBE A STALL (here): win it if you hold STRICTLY MORE followers on it than every rival AND meet its crowd floor (Big Brother 大哥 wins ties) + pay its ingredients your region discounts (no follower cost). It joins your tour + may complete a Booking. Your followers come HOME to your board; each loser's scatter to their OWN supply. Leave the slot empty.
- LINE UP A BOOKING: take 1 from the face-up row, then refill. Your Bookings are your whole score (成團 completed / 取消 cancelled).

FOLLOWERS · PILES · MARKET

- FOLLOWERS (your colour meeples): a TRAVEL grows 1 (your supply → your board); a PROMOTE places up to 2 (your board → onto a stall). Win the stall → they come HOME to your board; lose → back to your OWN supply.
- Your board's three card slots: your FOLLOWERS slot, plus the two Booking piles — 成團 COMPLETE (ran → full value) and 取消 CANCELLED (didn't run → half value). The piles are your whole score.
- Every market card shows its region (colour + emblem) and ☀ day / ◐ night — that pair IS its discard pile. Spent / fired / passed-over cards go to that region+phase discard; when a deck runs out, shuffle its discard back in. SINK = to the BOTTOM of the live deck (stays in play). At DUSK / LAST TRAIN the ending phase's decks AND discards go to the BOX.
