Home print-and-play — A4 landscape

Print at 100% / Actual Size — do NOT "Fit to page" / "Shrink to fit".

In the print dialog set Scale = 100% (or "Actual size"). Then measure the two bars below with a ruler before cutting — the 50 mm bar must read exactly 50 mm and the 2-inch bar exactly 2 inches. If they are short, your printer shrank the page — turn scaling off and reprint.

)0 mm — must measure exactly 50 mn

s (50.8 mm) — must measure exactly 2

6 character / player boards at true 297×210 mm (one per A4-landscape sheet), with the playtest character art embedded.

6 asset(s), 1 per sheet at true (300-DPI) size. 6 print sheets follow this cover (7 pages total).

Cut & mount

- Print onto (or glue onto) ~200–300 gsm cardstock; a glue stick or spray mount onto cereal-box card works for a first prototype.
- Cut along the shared grid lines — abutting cards share one cut, so a guillotine or a steel ruler + craft knife goes fastest. The coloured corner ticks mark the outer trim of each sheet.
- Round the corners if you like, and sleeve them (63.5×88.9 mm = standard poker / "premium" sleeves) so they shuffle.

Colour is preferred, but this is fully B&W-playable. Every region and ingredient is dual-coded with a distinct shape / emblem (and a text + 繁體 label), not colour alone — so greyscale prints stay unambiguous.

Note: the character boards currently show the art placeholder; final mock-up art drops in later and re-tiles automatically.

The Big Brother

CHARACTER BOARD · 角色板

大哥

Tuā-ko

> Never has to out-shout anyone: he ambles up, the whole street lights up, and the stall's somehow already his. A rival has to genuinely outdo him — a tie just goes to the fella everyone's glad to see.

The Big Eater

CHARACTER BOARD · 角色板

大胃王

Tuā-uī-ông

> Treats every stall like a personal all-you-can-eat and hauls off all he can carry, then just one more. The catch: dig that greedily and the island bites back twice.

The Globetrotter

CHARACTER BOARD · 角色板

阿嬤

A-má

> Flashes her elder-pass and turns up wherever she likes — no train runs on time enough to slow her. Everywhere at once, always one stop ahead of you, for the small price of a little of the crowd's puff.

The Homebody

CHARACTER BOARD · 角色板

媽寶

Ma-pó

> A grown man whose mum still packs his lunch — so while his rivals elbow through the queue, he's three regions over, snacking as he goes and never once stopping to shop.

The Influencer

CHARACTER BOARD · 角色板

網紅

Bāng-âng

> Never met an entrance she couldn't make late — she sweeps in dead last, clocks the one stall everyone's scrapping over, and drops her enormous following right on top of it.

The Old Councillor

CHARACTER BOARD · 角色板

里長伯

Lí-tiúⁿ-peh

> Runs his whole covert operation from a plastic stool by his own front door — why cross the island when the neighbours keep bringing you the day's pick? Leaves home only for the stalls worth it.
